Meet our Sponsors!

The Hawai‘i Wood Guild extends a very special mahalo to **Isaacs Art Center** for providing this lovely, historic space for our exhibit and for their continued support. We are proud to share that 25% of the proceeds from works sold during our exhibit go to raise scholarship funds for students of Hawai‘i Preparatory Academy—a school recognized for its excellent arts education programs.

We thank the **Hawaii Forest Industry Association, Woodcraft of Honolulu, and Aloha Woods**, for sponsoring our awards.

Aloha Woods, Inc. in Kona.

Our Judges:

Meet the wonderful people who took their time to judge this year’s exhibit and determined the award winners.

- **Hongtao Zhou**, Ph. D MFA, Associate Professor, School of Architecture, The University of Hawaii at Manoa
- **Kate Jacobson**, ceramic artist, Executive Director of the Donkey Mill Art Center
- **Peggy Chesnut**, interior designer & owner, Peggy Chesnut & Co.

We also thank all the volunteers who made this exhibit possible! Countless hours go into bringing this event to the community and we couldn’t do it without the kindness and talents of our volunteers.

Have you voted for your favorite piece?

Each year we award the **Peoples’ Choice Award** to the woodworker who receives the most votes from our visitors. Please take a moment to vote on the paper provided and place it in the calabash near the door. We’ll post the results on our website at the close of the exhibit. We’ve included some general questions as well—please answer as many as you can. Your feedback will help us grow.

About Us

The Hawai'i Wood Guild is a volunteer driven organization for woodworkers and wood enthusiasts on the Island of Hawai'i. Our mission is to promote awareness and appreciation for Hawai'i's talented woodworkers and the trees and woods they use to create with. Our livelihoods rely on our forests and our goal to bring awareness to good forest stewardship through our alliance with the Hawai'i Forest Industry Association (hawaiiforest.org), of which the Hawai'i Wood Guild is a sub-committee.

Our Annual Exhibit is the premiere event for fine woodworking on Hawai'i Island. The best works by the most talented woodworkers are displayed at our juried and judged exhibit and all the entries are available for purchase.

Membership meetings are held at various woodworkers studios three times a year to encourage professional development. Sharing tips and techniques always leads to inspiration. We encourage woodworkers, collectors, and foresters to talk story with one another. If you would like to join us, sign up for our newsletter by visiting our web site at:

Meet the Woodworkers on Saturdays!

Take us up on the opportunity to talk story with our members by visiting the exhibit on Saturdays. Each week, a few different members will be here to answer your questions about the works, the wood, and the joy of creating here in Hawai'i.

A close-up photograph of a wooden cabinet. The cabinet is made of a rich, reddish-brown wood with a prominent grain. On the left is a large, rectangular door with a recessed panel and a small, round wooden knob. To the right of the door are several drawers, each with a similar round knob. The lighting highlights the texture and color of the wood.
